

Fountain of Living Waters

INDIAN MISSION

CIBECUE, AZ.

Dear Friends,

Jan, 2023

Happy New Year! ☺

I ended the last two months of 2022 in bed, sick and weakened! Missionaries face disappointments and ^{at} times... and this was mine... even missing 4 out of 6 services! And this closed down our plans for a Christmas Program! However, we did manage to take delivery on about 300 toys!

I'm just now seeing the Lord's Healing Power and have started getting back to "normal living!" Strength is coming back... Praise God! Soon, we will be getting back to the Fence Project and preaching the Word!

May I humbly thank all of you, our supporters, for your prayers and generosity! You can't imagine how encouraging this was to a long-time missionary who gets sick and bedridden for such a long period of time! God bless you kind souls!

The enemy slows us down... but we keep going!

In Christ,
Pastor Wayne N. Stephens
